

Kids Really Will Think you're a Super Hero!

It's no secret that teachers dip into their own pockets to provide students with much needed supplies... **often to the tune of \$400-\$700 per school year!** Ouch! At Plato Academy we skillfully stretch our budget to outfit each classroom with basic supplies but our teachers are so dedicated to providing students with the most amazing and enriching educational experience that they spend their own money, sometimes lots of money.

This is where you come in! If you would like to get the most BANG for your donated dollars, become a recognized super-hero and even get a thanks from 'ole Uncle Sam then we would love for you to participate in the **Adopt a Class Program!!**

A donation of just \$40 from every parent will give each classroom \$720!!

Your participation in this program literally has the potential to help transform the Plato Academy experience for your child and many, many more children. You will have a direct impact on their academic success!

And we won't be quiet about just how awesome you are...

- You will receive a certificate of participation
- Recognition in the Plato Academy PTO Newsletter
- Recognition in the Plato Academy Yearbook

And...drum roll please...

...Special recognition on the Plato Academy "Donor Wall of Fame!"

And don't forget, your contributions are tax deductible (told you Uncle Sam would thank you)! It's super easy.
