

* Parent Homework: Name is optional ☺

Dear Parent/Guardian,

As the year is quickly coming to an end, I want to express my gratitude for the support you have given me. Whether it was buying supplies for our class, attending awards assemblies, bringing treats on special occasions, or simply keeping me abreast to the needs of your child, I really appreciate all of your support. The success that we reached this school year would not have been possible without your help. Thank you for entrusting your child to my care.

I realize that my perception of the school year may not necessarily be the same as yours. Therefore, I have attached a survey to get feedback from you. Completing the survey is totally optional. However, I would really appreciate it if you would take the time to do it. This will help me to see the areas where I need to improve and the areas where I am already strong. Please be totally honest when completing the survey. Your name is not required on it.

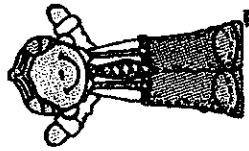

Thank you in advance.

Warmest regards,

Ms. Buchholz
