### My Home Word List

#### Spelling Practice Activity

##### Dear Family,

Ask your child to write the spelling words correctly on a separate sheet of paper. As you work with your child to practice this week's spelling words, try the following activity.

Play a game using the spelling words by having your child identify and spell a word from clues you provide. Possible clues include definitions, synonyms, antonyms, rhyming words, or hints to spelling patterns.

Examples:

**Happy, nervous,** and **angry** are examples of this word. (**emotion**)

You give clothes to a local charity. What is this called? (**donate**)

This word means the opposite of "to agree with." (**oppose**)
